SOUTH PLAINS COLLEGE APPLICATION FOR RESIDENCY RECLASSIFICATION

The Texas Higher Education Coordinating Board, rule 21.38, requires each student to provide substantiating documentation to affirm residence for tuition purposes. It also requires that students sign an Oath of Residency. Continuing students previously documented to be eligible for resident classification need not recertify their eligibility by completing this form. However, students who are requesting Residency Reclassification should complete and submit this form with proper documentation as listed below, and a statement explaining the request for reclassification to the Dean of Admissions and Records. (Print) Student's Full Name Date of Birth Student ID Telephone Number Address Current Residency Classification RESIDENT CLASSIFICATIONS South Plains College must have on file verification of residency. Students have legal right to correct residency classification prior to the official census date of the semester or term for which they enroll. Appeals submitted after the official census date of a semester or term will be considered for the next semester of enrollment. Appeals will not be granted for previous semesters or terms. TEXAS RESIDENT—An adult Texas resident (18 years of age and older) is defined as one who resided continuously within the State of Texas for 12 months immediately **prior** to his/her original registration for purposes other than educational. The number of years in college cannot be used towards eligibility for establishing residency. A minor Texas resident is defined as one whose parent(s) or legal guardian has claimed the dependent for federal income tax purposes both at the time of enrollment, and for the tax year preceding enrollment. This classification is defined by the State Auditor's Office and must be adhered to by the institution. NON-RESIDENT—A non-resident student is defined as one who does not qualify as a Texas resident (out-of-state students, international students, etc.). A non-resident student classification is presumed to be correct so long as the student is in the state primarily for the purpose of attending school. To be reclassified as a resident, after one or more years of residency, the student must show proof of intent to establish Texas as his/her own residency. IN-DISTRICT—A Texas resident who physically resides within the geographic boundaries of South Plains College District (Hockley County or Whiteface ISD residents), excluding student housing or residence halls. To qualify for In-District tuition, a student must be (1) 18 years of age; (2) have been classified as a Texas resident; and have been a resident of the South Plains College District for a period of six months prior to first enrollment. A student may reclassify from Out-of-District to In-District status, with appropriate written documentation, after physically residing in Hockley County or Whiteface ISD for six consecutive months with the intent to make South Plains College District one's permanent home, and for purposes other than educational. OUT-OF-DISTRICT—A Texas resident who does not physically reside within the geographic boundaries of the South Plains College District (Hockley County or Whiteface ISD).
