

South Plains College schedule of
CLASSES
spring 2012

Levelland Campus • Reese Center
Plainview Center
Byron Martin Advanced Technology Center
SOUTHPLAINSCOLLEGE.EDU

classes begin **JANUARY 17**

YOUR FUTURE STARTS HERE

FOUR CONVENIENT LOCATIONS PUT SOUTH PLAINS COLLEGE CLOSE TO YOU

SPC's central campus is located in Levelland and educational extension centers can be found at two locations in Lubbock and in Plainview. SPC offers college-level arts and sciences courses, technical education courses and continuing education programs at the Levelland Campus and Reese Center, which is located between Levelland and Lubbock. Additional technical programs and workforce development programs can be found at the Byron Martin Advanced Technology Center in Lubbock. A variety of academic, technical and workforce development courses are also available at the Plainview Center. Established in 1957, SPC offers students a comprehensive educational program that awards associate degrees and certificates of proficiency.

THE LEVELLAND CAMPUS

South Plains College's Levelland Campus is recognized as one of the most modern and complete community colleges in Texas. The Levelland Campus encompasses 33 buildings on a 177-acre campus. Attractively landscaped and maintained, the campus features a contemporary architectural design which enhances an excellent learning environment. The program of study on the Levelland Campus spans freshman and sophomore studies for students who plan to eventually earn a bachelor's degree. These classes, offered through the Arts and Sciences Division, parallel those offered by universities and are fully transferable to these schools. First-class technical programs are also available to students who want to obtain specific job skills in one or two years of college and then go to

work in a good-paying job. More than 4,900 students enroll for classes on the Levelland Campus each semester. Student residence halls, housing approximately 600 students, along with student activities, student organizations, intercollegiate athletics, recreational activities and rich college traditions give the Levelland Campus a resident-college flavor.

REESE CENTER

South Plains College maintains an educational extension center at the Reese Center, just west of the City of Lubbock on West 4th St. at the former Reese Air Force Base. SPC offers freshman and sophomore-level college-credit courses in both academic transfer and technical education programs at its Reese Center location.

SPC's Levelland Campus offers students a comprehensive community college setting in which to learn and prepare for a college degree.

South Plains College's Reese Center consists of eight educational buildings located at the former Reese Air Force Base.

Many classes are offered during the late afternoon and evening hours to allow area college students greater flexibility and convenience in taking college courses. Many individuals who need certain classes to fill their college schedules or to advance in their careers find these college classes at the Reese Center.

Additionally, the Reese Center is home to nine technical programs with 13 degree and certificate options in allied health, professional services and industrial technology areas. More than 3,200 students enroll each semester in Reese Center courses.

The former base is a research and business park. South Plains College's partnership with the Lubbock Reese Redevelopment Authority allows SPC to expand its evening college program and to initiate new technical education and workforce development programs.

BYRON MARTIN ADVANCED TECHNOLOGY CENTER

The Byron Martin Advanced Technology Center (BMATC) is a unique educational venture located at 34th and Avenue Q in Lubbock. Involving South Plains College, the Lubbock Independent School District and a number of community partners, the center is designed to deliver cooperative technical education programs to support the development of a skilled technical workforce for Lubbock and the South Plains region.

At the BMATC, South Plains College offers college-level technical education programs and courses which focus on business administration, computer technology and industrial technology. Career guidance, counseling, library and tutoring services support the center's instructional efforts.

Through an extensive continuing education and workforce development program, the BMATC also serves the training needs of non-traditional students and workers who need to upgrade job skills or re-train for new jobs. The facility enables all project partners to collaborate to provide rapid response training to attract new business and industry and customized job training to support and retain existing businesses. The BMATC houses more than 87,000 square feet of instructional space which features high-tech computer classrooms with Internet access, a multimedia distance education classroom with satellite downlink capabilities, a multimedia tiered conference room, and multimedia instructional support library with access to on-line services. Additionally, the facility houses 13 instructional classrooms with multimedia capabilities, a rapid response training area, millwork lab, metals lab, and automotive technology lab. State-of-the-art equipment in all instructional areas provides students with "high-tech, high-touch" instruction and hands-on application of skills.

The Byron Martin Advanced Technology Center is located at 34th and Avenue Q. The center is an educational partnership between the Lubbock Independent School District, South Plains College and a number of community partners.

PLAINVIEW CENTER

The South Plains College Plainview Center offers selected technical education programs, academic transfer courses and other workforce development/continuing education programs. Located at 1920 W. 24th St. in Plainview, the center is designed to serve the northern tier of the college's service area through distance education initiatives.

SPC maintains technical programs in cosmetology, vocational nursing and associate degree nursing (advanced placement program) at the Plainview Center. A variety of college-level general education courses are offered during daytime and evening hours at the center to accommodate the needs of working adults. The center features interactive two-way video classrooms, computer labs and student services offices. College admissions, financial aid, career counseling, testing and skills assessment services are also provided for students.

Adult and continuing education programs are available to meet the workforce development /continuing education needs of the Plainview community. SPC is committed to creating greater access to educational programs for rural residents through the Plainview Center.

The Plainview Center is located at 1920 W. 24th Street. The center serves the northern tier of SPC's service area through distance education initiatives.

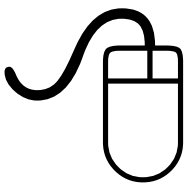

DENVER CITY, CROSBYTON, AND MULESHOE EXTENSION CENTERS

SPC offers a variety of educational opportunities at our extension centers located in Denver City, 500 N. Ave. C; Crosbyton, 206 W. Aspen; and Muleshoe, 621 W. 2nd St.

ADMISSIONS INFORMATION

South Plains College maintains an "open admissions" policy that accepts all students who are graduates of an accredited high school or who hold a GED. In order to be admitted to South Plains College, new students should submit the following materials **prior to registration**:

1. Completed Application for Admission.
2. **Official transcript** of the student's academic record in high school or the record at each college attended since leaving high school, or a certified copy of your GED certificate.
3. Evidence of TSI compliance. (see page 14 for more information)
4. Proof of meningitis vaccination.

A person who is not a graduate of an accredited high school or who does not hold a GED may be admitted on an individual approval basis to selected programs. More specific information about admission to South Plains College can be found in the current General Catalog or by contacting the Office of Admissions and Records, (806) 894-9611, ext. 2574 or ext. 2370.

NEW STATE MANDATE BACTERIAL MENINGITIS VACCINATION

All entering students enrolling at South Plains College must provide proof that the meningitis vaccination was administered at least 10 days prior to the first class day. Vaccinations must have been received or renewed within the last 5 years. Please visit our website for more information.

REGISTRATION INFORMATION

Spring registration will be held at the BMATC on Jan 9, Plainview Center on Jan. 10, the Levelland Campus on Jan. 11, and the Reese Center on Jan. 12. Late registration is scheduled for Jan. 17-18 at the Levelland Campus and Reese Center. Classes begin Jan. 17. **See page 9 for detailed registration information.**

THINGS TO BRING TO REGISTRATION

Registration will go a lot easier for you if you remember to bring the following items:

- A trial schedule of your classes (page 20)
- Your valid Texas driver's license, if you are a Texas resident
- Vehicle registration information (year, make, model, license no.)
- Check, Cash or Credit Card for payment of tuition and fees
- A sense of humor and patience

REGISTRATION FOR INTERNET CLASSES

Students register for Internet classes as they would any other class offered at South Plains College. Class registration takes place during web-registration and arena registration on the Levelland Campus and the Reese Center. **See page 58 for detailed instructions concerning internet and hybrid courses.**

RIGHTS RESERVED

South Plains College reserves the right to change without advance notice course schedule information listed in this publication, including the time, day and place of any class, in the best interest of the college. SPC also reserves the right to cancel any class due to insufficient enrollment. For current schedule information, please refer to the class schedule online, or contact your faculty advisor or the Counseling Center.

ACADEMIC SUSPENSION

APPEALS

If you have been placed on academic suspension from South Plains College or another institution of higher education, you are required to sit out one full semester (fall or spring). However, you may appeal your academic suspension to the Admissions Committee by submitting the following documents by **January 4, 2012. Appeals will not be accepted after this date.**

- Completed SPC Academic Appeal Form.
- Documents relevant to your situation, if applicable.
- **Official** transcripts from **all** colleges or universities previously attended, if you are a new student.
- Completed SPC application for admission, if you are a new student.

All documents should be submitted at the same time to: **South Plains College, Admissions, Box C, 1401 S. College Ave., Levelland, TX 79336.** Incomplete appeals will not be considered. The student will be contacted by email after the Admissions Committee has met.

The Academic Suspension Appeal is not the same as a Financial Aid Suspension Appeal.

TRANSCRIPT SERVICE

Students may request a copy of their academic record accumulated while at South Plains College. Official transcripts are available through the Admissions and Records Office at the Levelland Campus only. Students are allowed a total of ten free transcript copies. Additional copies beyond the lifetime quota of ten copies are \$2.00 each, payable in advance.

Transcript requests must be made in person or in writing. Your request must include the following: your full name, social security number, date of birth, address, telephone number, the last semester enrolled, your signature and a copy of a government issued ID. Send your request to: **South Plains College, Transcript Request, Box C, 1401 S. College Ave., Levelland, TX 79336.** Current students may log in to MySPC to make a request online or to view and print an Unofficial Transcript through CampusConnect.

Transcript requests cannot be honored from those students whose financial and academic records at the college are not in good standing.

MySPC

MySPC is your online gateway to South Plains College information. MySPC provides you with personalized access to a wide range of campus resources in a single location including CampusConnect and student email. You can customize your site by adding or deleting pages to meet your personal needs including access to important announcements, news and events, college calendars and a personal planner.

Who has a MySPC account?

All South Plains College Faculty, Staff and Students have access to MySPC. Log in to myspc.southplainscollege.edu for a listing of specific services for your affiliation.

What will a MySPC account do for me?

The South Plains College Portal, MySPC, is a one-stop access point to South Plains College resources and services including CampusConnect and student email. MySPC will give access to important announcements, news and events, college calendars and a personal planner.

How do I get a MySPC account?

New students will gain access to MySPC upon acceptance to South Plains College. All currently enrolled students have been issued a MySPC account.

How do I log in to MySPC?

You will log in to MySPC at <https://myspc.southplainscollege.edu> by a username and password that has been automatically set up for you upon acceptance.

What is my username?

In most cases, your username is the first initial of your first name followed by the first eleven letters of your last name and the last four digits of your assigned SPC Student ID number.

What do I do if I forget my username?

To retrieve your username, click on the MySPC link at the top of the South Plains College website at www.southplainscollege.edu. Once on the MySPC home page, click on the Forgot Username / Reset Password link on the bottom left side under Campus Bookmarks.

What is my password?

Your password is a four digit number assigned to you upon acceptance. It can be found, along with your username, in your letter of acceptance.

What if I forget my password?

You can use the Forgot Username / Reset Password link found in the bottom left hand corner of the MySPC home page. Once you retrieve your username, you will be given the opportunity to reset your password. If you continue to experience difficulties, you should email askspc@southplainscollege.edu

or call (806) 894-9611, ext. 3300.

What is CampusConnect?

CampusConnect is an online service available through MySPC. CampusConnect allows students to gain access to a multitude of services and information via the internet.

Click on **CampusConnect** to view your:

- Online Class Schedule
- Course Availability
- Unofficial Transcripts
- Grade Report
- Account Status
- Degree Audit
- Financial Aid Status and Award Letter

In addition, **CampusConnect** allows you to:

- Add and Drop Classes (during the registration period only)
- Pay for Tuition and Fees

How do I access CampusConnect?

To access CampusConnect, you must first log in to MySPC. Once you have successfully logged in, click on the Student CampusConnect link found in the bottom left side under Campus Bookmarks.

How do I access my student email?

South Plains College provides a web interface known as Outlook Web Access or (OWA). This allows you to connect to your email through a web browser like Internet Explorer and view the contents of your email folders, contacts, calendar, etc. Your assigned SPC email account is our channel for official communication from South Plains College. Access your email by using the URL: <https://owa.southplainscollege.edu/>. Your initial username and password is the same as your MySPC username and password.

Where do I go for assistance?

For assistance, please email askspc@southplainscollege.edu or call 806-894-9611, ext. 3300.

FACULTY ADVISORS

Prior to registration each semester, all students must meet with an advisor and complete a class schedule. Faculty advisors are listed below by campus location and program areas. If you are a returning student, contact your advisor for information about registration. If you are a new student and have any questions prior to registration, contact the Counseling Center, ext. 2366, or the person listed below in the areas of your interest. ***In order to receive appropriate program advising, it is recommended that you register at the campus where your major is offered.***

THE FOLLOWING FACULTY ADVISORS ARE LOCATED ON THE LEVELLAND CAMPUS. For information, call (806) 894-9611.

PROGRAM	ADVISOR	EXT.

TEXAS SUCCESS INITIATIVE

The Texas Success Initiative (TSI) is a state program designed to ensure that all Texas institutions provide placement testing, personal advisement and appropriate instruction to students to enhance their opportunities for success in their college studies. All new students entering Texas colleges and universities are required to take a placement test prior to enrolling in college-level courses, unless exempt from testing under specified state standards (i.e., scores on ACT, SAT or TAKS). Testing will indicate whether a student possesses adequate basic college-level skills (in reading, writing and mathematics) necessary to begin an undergraduate program of study.

If testing indicates a need for building certain skills in any or all of the skill areas, students are required to enroll in and successfully complete the developmental programs. In addition, certain college-level courses in the core curriculum are restricted with enrollment allowed for only those students who have met the state-specified placement test standards. All three parts of the placement test standards must be successfully mastered before a student is awarded an associate degree, certain certificates of proficiency, or allowed to transfer into junior or senior-level courses at a public university.

College success has always been a top priority at South Plains College and SPC wants to see each student make a smooth transition into this program. At SPC, placement tests WILL NOT be used as an admissions criterion. Failure to take an approved placement test prior to registration will limit the choices of classes in which a student may enroll. It is especially important for a transfer student to consult a faculty advisor or counselor about TSI regulations and SPC local policies prior to registration.

WHICH COURSES ARE RESTRICTED?

Students who have taken a placement test and have failed a portion may still take college-level classes that are not restricted to the failed area of the placement test.

Restricted courses if you have failed the reading portion of an approved placement test are:

- All College Level Biology, EMSP, and English courses, GOVT 2301, GOVT 2302, HIST 1301, HIST 1302, HIST 2301, MUSC 1427 and PSYC 2301. All internet sections of the following courses: ANTH 2346, ANTH 2351, BCIS 1405, PSYC 2306, PSYC 2314, SOCI 1301, SOCI 1306, SOCI 2301, SOCI 2306,
- All College Level Math courses and MUSC 1325 are restricted if you have failed the Math portion of the placement test.
- All College Level English courses and all Internet sections of GOVT and HIST courses are restricted if students have failed the Writing and/or Reading portion of the placement test.

WHO MUST TAKE A PLACEMENT TEST?

Any person who is a full-time or part-time student and who does not meet one of the exemptions listed below must take a placement test. This includes students who enroll in academic-transfer programs that lead to an Associate of Arts, Associate of Arts in Teaching, or Associate of Science degree and also students who enroll in technical programs that award an Associate of Applied Science degree. Students who enroll in certificate programs containing 43 or more semester hours of college-level credit courses are also required to take a placement test. SPC administers the ACCUPLACER and the Quick Texas Higher Education Assessment (Q-THEA) Test.

Who is exempt from taking a placement test?

A student is exempt from taking a placement test if he or she:

- performs at levels that the THECB defines for an exemption on the SAT, the ACT, or TAKS and enrolls within the time limits defined in the THECB rule; may be exempt from one or all sections.
- has graduated with an associate or baccalaureate degree from a Texas institution of higher education, as defined in Texas Education Code, Section 61.003(8).
- transfers with college-level hours in the applicable TSI areas from a private or independent institution of higher education or an accredited out-of-state institution of higher education.
- has been determined college-ready by a Texas university or college previously attended.
- is enrolled in a Level-One certificate (42 or fewer semester hours); consult current catalog for a list of programs.
- is serving on active duty as a member of the armed forces of the United States, the Texas National Guard, or as a member of the reserve component of the armed forces of the United States.

- on or after August 1, 1990, was honorably discharged, retired or released from active duty as a member of the armed forces of the United States or the Texas National Guard or service as a member of a reserve component of the armed forces of the United States.

Students must submit a copy of their documentation to the Admissions and Records Office to qualify for any of the exemptions listed above.

Students who plan to enroll in certain certificate programs will not be required to take the ACCUPLACER or Q-THEA Test. Please consult the current copy of the South Plains College General Catalog for a listing of those programs, or contact your program advisor.

TESTING INFORMATION

ACCUPLACER

The ACCUPLACER is a computer-adaptive test administered at the Levelland Campus, Reese Center, Plainview Center, and Advanced Technology Center for a fee of \$30.00. There is a \$3.00 processing fee for online registration and requires the use of a credit/debit card. The test fee is based on the cost of test administration and materials. Please contact the Counseling Center or the Testing and Learning Center for times and dates when the placement test will be administered prior to registration. **Pre-registration is required for all ACCUPLACER tests. You may register online at www.southplainscollege.edu/testing.**

In order to take the **ACCUPLACER** a \$30.00 money order, cash, or credit/debit card payment is required for **ACCUPLACER** as well as a valid, not expired picture ID and some form of official identification containing the student's social security number. Failure to follow these procedures will result in the student not being able to test. Please visit our website at www.southplainscollege.edu/testing for more information and registration forms. **Pre-registration** of at least 3 business days in advance **is required for all tests.**

***For testing dates, please visit our website at
www.southplainscollege.edu/testing.***

Q-THEA

South Plains College's Levelland Campus is a designated Testing Center for the Q-THEA Test. In order to take the Q-THEA, students must report 30 minutes prior to test time and bring a \$29.00 money order for the test. An additional \$5.00 fee is required for the Q-THEA and must be paid at the time of pre-registration for the exam. A valid, not expired picture ID and some form of official identification containing the student's social security number are required in order to take the Q-THEA. Failure to follow these procedures will result in the student not being able to test. The Q-THEA is only offered at the Levelland campus. Please visit our website at www.southplainscollege.edu/testing for more information on test dates and registration forms.

Q-THEA TEST - TESTING SCHEDULE LEVELLAND CAMPUS

Friday, November 11, 2011 at 9:30 a.m.

Friday, March 30, 2012 at 9:00 a.m.

Friday, April 27, 2012 at 9:00 a.m.

NOTE: Scores for this test are not available for a period of 10 – 14 days after testing. This may affect your ability to enroll in college-level Biology, English, Government, History, Math, and Psychology courses.

FAILURE TO TAKE A PLACEMENT TEST

If a student is NOT waived or exempted from taking a placement test, it is important that he/she take a placement test before enrolling in college-level courses. Otherwise, the student can only register for developmental classes. He/she will not be able to register for college-level credit courses until a placement test has been taken. All new students who are not otherwise exempt must take a college placement test prior to enrollment.

ESTIMATED TUITION AND FEES

The following tuition and fee table is provided to assist students in estimating the cost of enrolling at South Plains College. The table provides cost totals for in-district resident students, out-of-district resident students, and non-resident students. In-district students are those whose **legal residence (not school address)** is within the boundaries of the South Plains Junior College District (Hockley County and the Whiteface Independent School District portion of Cochran County). Students whose legal residence is outside the college district are required to pay out-of-district tuition. Students who are not legal residents of the State of Texas are required to pay non-resident tuition. The cost figures presented in this table include tuition and applicable fees, including instructional support fee, student accident insurance and student health services fee. The table does not include lab fees charged for specific classes, books and supplies, or room and meals.

Semester Hours	LEVELLAND CAMPUS TUITION & FEES			SPC REESE CENTER, BMATC & PLAINVIEW CENTER TUITION & FEES		
	In-District Resident	Out-of-District Resident	Non- Resident	In-District Resident	Out-of-District Resident	Non- Resident

15	\$1,156	\$1,486	\$1,726	\$1,326	\$1,656	\$1,896
16	\$1,229	\$1,581	\$1,837	\$1,411	\$1,763	\$2,019
17	\$1,302	\$1,676	\$1,948	\$1,496	\$1,870	\$2,142
18	\$1,375	\$1,771	\$2,059	\$1,581	\$1,977	\$2,265

TUITION AND FEES ARE SUBJECT TO CHANGE WITHOUT NOTICE BY THE SOUTH PLAINS COLLEGE BOARD OF REGENTS AND/OR THE STATE OF TEXAS.

REPEATING A COURSE?

Students who are enrolling in a class for the third or more time, are charged an additional \$75 per credit hour for that class. This fee is the result of the state legislature's decision to no longer fund public colleges and universities for classes repeated three or more times. Some courses may be exempted from this new rule. Please check with your advisor.

DROP/WITHDRAWAL POLICY & PROCEDURES

If you are unable to **start or complete** the course(s) for which you have enrolled, it is **YOUR** responsibility to officially drop/withdraw from the course(s) through proper procedures. Failure to follow the drop/withdrawal procedures could result in you receiving a grade of "F".

After registration closes on CampusConnect for the semester, all drop/withdrawals require the student's signature and must be initiated **IN PERSON** with a picture ID through the Admissions and Records Office at the Levelland Campus, Reese Center, or Plainview Center. Remember to contact the appropriate campus for office hours. A \$5 drop fee will be charged for each drop. Go to www.southplainscollege.edu/information-for/current-spc-students/admissionsandrecords/schedulechanges.php to complete and print a **Student Initiated Drop Form**. If you are a student attending the Levelland Campus and you wish to completely withdraw from all your classes, please initiate your withdrawal by reporting **IN PERSON** to the Counseling Center in the Student Services Building. If you are a student at the Reese Center or the Byron Martin ATC, and wish to complete a withdrawal, report to the Counseling Center, Reese Center, SPC Building 8. Students at the Plainview Center should report to the Main Office. Please consult the Semester Calendar (page 8) in this class schedule for the last day to drop or withdraw from a class without receiving a grade.

Effective Fall 2007 Semester, students who enroll in college for the first time during the fall 2007 academic term or any term subsequent to the fall 2007 term, an institution of higher education may not permit an undergraduate student to drop a total of more than six (6) courses, including any course a transfer student has dropped at another institution of higher education.

DROPS/WITHDRAWALS MUST HAVE THE ORIGINAL SIGNATURE OF THE STUDENT; THEREFORE, THEY CANNOT BE MADE BY PHONE OR BY FAX. Students may not completely withdraw from school through CampusConnect after the registration period ends.

REFUND POLICY

ALL SPC LOCATIONS

The refund policy of South Plains College is based on the fact that student tuition and fees provide only a fraction of the cost of providing educational opportunities. When a student enrolls in a class, he or she reserves a place which cannot be made available to another student until he or she officially drops the class. Also, a student's original enrollment represents a sizeable cost to the College whether or not the student **starts or completes** the class. Therefore, refund will be made only under the following conditions. *These refund schedules are subject to change without notice.*

1. Students who **OFFICIALLY WITHDRAW** from the institution shall have their tuition and mandatory fees refunded according to the following schedule. **This refund schedule is based on FULL payment of tuition and fees. If a student is on a tuition and fee installment contract, the refund will be reduced by the balance still owed to South Plains College. The last day to completely withdraw and receive a 100% refund is January 16, 2012. Students may not completely withdraw from school through CampusConnect after late registration ends. You must withdraw in person.**

Prior to first class day (Prior to Jan. 17) 100%
During the first 15 class days (Jan. 17 - Feb. 6) 70%
During the 16th to the 20th class days (Feb. 7 - Feb. 13) 25%
After the 20th class day (Feb. 14 and after) NONE

2. Students who are receiving Title IV funds and who withdraw from any term prior to the 60 percent completion date or receive a grade of W, X, or F in every class will be subject to the Title IV refund policy and may be required to return a portion of their financial aid funds to the federal government. Students will also be required to reimburse the SPC Business Office for funds that the college is required to pay back to the Department of Education on their behalf.

Students who **REDUCE** their semester credit hour load by officially dropping a course or courses and remain enrolled at the College will be refunded applicable tuition and fees according to the following schedule. If a student is on a tuition and fee installment contract, the refund will be reduced by the balance owed to South Plains College.

During the first 12 class days (Through Feb. 1) 100%
During the 13th to the 15th class days (Feb. 2 - Feb. 6) 70%
During the 16th to the 20th class days (Feb. 7 - Feb. 13) 25%
After the 20th class day (Feb. 14 and after) NONE

3. **Cancelled or Deleted Classes:** Students who register in a class that is cancelled or deleted shall have their tuition and fees fully refunded. The cancelled course is automatically dropped from the student's class schedule. It is the students' responsibility to register for a different section or course, if they wish to replace the credit hours for the cancelled class.

This Refund Schedule is subject to change without notice.

1. **DEPARTMENT:** This is an abbreviation of the educational department. In this example, BIOL stands for Biology.
2. **COURSE NUMBER:** Each course offered by SPC is assigned a course number which identifies whether it is a freshman, sophomore, or non-credit level course, the number of credit hours, and a description number.
3. **SECTION NUMBER:** Many times the same course is offered at different times of the day and on different days. In such cases, section numbers are assigned to identify the different classes.
4. **COURSE TITLE:** This is the descriptive title of the course being offered.
5. **CLASS DAYS:** The days on which the class meets can be found here. M W F classes meet on Mondays, Wednesdays, and Fridays throughout the semester, while T R classes meet on Tuesdays and Thursdays, and S indicates the class is held on Saturday.
6. **CLASS TIME:** This portion of the class schedule shows you at what time the class begins and the time it ends.
7. **ROOM:** This indicates where the class will meet. In this example, the class meets in room 153 of the Science Building. A key to building abbreviation codes can be found on page 13.
8. **LAB DAY:** Many science, arts, music, and technical courses have additional class times for laboratory practice. The day the lab is scheduled is indicated here.
9. **LAB TIME:** The time the lab meets is indicated here.
10. **LAB ROOM:** Here, the building and room number where the lab will meet is given.
11. **INSTRUCTOR:** Finally, your schedule gives the name of the person scheduled to teach the course.

TRIAL SCHEDULE

This Trial Schedule form is designed to help the students plan their schedule of classes. Prior to registration, students are encouraged to visit with their program advisor. After you complete your trial schedule, go to **MySPC** to access **CampusConnect** and register for your classes. It is the student's responsibility to ensure that they have met course prerequisites, are in TSI compliance, and enroll in courses which satisfy their major's requirements.

SOUTH PLAINS COLLEGE • 2012 WINTER INTERIM CLASS SCHEDULE

DEPT - NO SC COURSE TITLE DAYS CLASS TIME ROOM INSTRUCTOR INSTRUCTOR'S EMAIL

WINTER INTERIM TERM: CLASSES BEGIN DECEMBER 19 AND END JANUARY 14

SOUTH PLAINS COLLEGE PROVIDES A MINI-MESTER ALLOWING STUDENTS TO ENROLL IN COURSES WHICH WILL BE OFFERED IN AN INTENSIVE FORMAT FOR A SHORT TIME PERIOD BETWEEN REGULARLY SCHEDULED SEMESTERS. DUE TO THE INTENSITY LEVEL OF THESE COURSES AND THE SHORTNESS OF THE TIME THE COURSE IS OFFERED, STUDENTS ARE RESTRICTED TO TAKING A TOTAL OF FOUR SEMESTER HOURS DURING THE MINI-MESTER. THESE COURSES ADHERE TO THE SAME PREREQUISITES AND TSI REQUIREMENTS AS COURSES OFFERED DURING THE REGULAR SEMESTERS. COURSES WILL BE OFFERED IN AN INTERNET FORMAT. THE DEADLINE FOR REGISTRATION FOR THE WINTER INTERIM SESSION IS DECEMBER 15TH AND PAYMENT MUST BE RECEIVED BY 2:00 P.M. ON THAT DAY IN ORDER FOR REGISTRATION TO BE COMPLETED.

DEPT - NO SC COURSE TITLE DAYS CLASS TIME ROOM LAB DAYS/TIME ROOM INSTRUCTOR

BIOLOGY

**BIOL 1406 AND BIOL 1407 ARE THE PROPER COURSES FOR BIOLOGY MAJORS AND FOR MOST OF THE OTHER SCIENCE MAJORS. HOWEVER, MOST PRE-VETERINARY STUDENTS SHOULD TAKE BIOL 1413 IF THEIR MAJOR IS ANIMAL SCIENCE.*

**BIOL 1408, BIOL 1409, BIOL 1411 AND BIOL 1413 ARE COURSES DESIGNED FOR NON-SCIENCE MAJORS. BIOL 1408 IS NOT A PREREQUISITE FOR BIOL 1409.*

**BIOL 0300 IS A PREP COURSE DESIGNED FOR STUDENTS WITH A WEAK BACKGROUND IN SCIENCE.*

**PLEASE SEE YOUR ADVISOR TO ENSURE THAT YOU ARE ENROLLING IN THE RIGHT COURSE FOR YOUR MAJOR. NOTE THAT THE COURSE YOU NEED COULD BE DIFFERENT FOR DIFFERENT TRANSFER INSTITUTIONS.*

**A PASSING GRADE ON THE READING PORTION OF ONE OF THE COLLEGE'S PLACEMENT EXAMS IS REQUIRED FOR ENROLLMENT IN ANY OF THE COURSES IN THE BIOLOGY DEPARTMENT, EXCEPT BIOL 0300.*

SOUTH PLAINS COLLEGE • 2012 SPRING CLASS SCHEDULE

DEPT - NO SC COURSE TITLE DAYS CLASS TIME ROOM LAB DAYS/TIME ROOM INSTRUCTOR

LAW ENFORCEMENT POLICE ACADEMY

THE BASIC POLICE DAY ACADEMY BEGINS MAY 9, 2012 AND ENDS AUGUST 23, 2012. THE ACADEMY REQUIRES PRE-REGISTRATION THROUGH THE ACADEMY COORDINATOR PRIOR TO APRIL 13, 2012. STUDENTS ADMITTED TO THE PROGRAM MUST COMPLETE ALL FOUR SECTIONS (CJLE 1506, 1512, 1518, & 1524) AND REQUIRED FITNESS COURSES TO COMPLETE THE ACADEMY. THE ACADEMY IS A 16-WEEK PROGRAM THAT PERMITS GRADUATES TO TAKE THE STATE LICENSE EXAMINATION THAT IS A REQUIREMENT TO BECOME A TEXAS PEACE OFFICER. PROSPECTIVE STUDENTS MUST SUBMIT AN APPLICATION FOR ADMISSION TO SOUTH PLAINS COLLEGE AND PROVIDE TRANSCRIPTS IN ACCORDANCE WITH COLLEGE POLICY. ADMISSION TO THE COLLEGE DOES NOT GUARANTEE ADMISSION TO THE POLICE ACADEMY. THIS IS A TSI-WAIVED CERTIFICATE PROGRAM (MAJOR CODE #7021-C). FOR ADMISSION REQUIREMENTS, CONTACT ACADEMY DIRECTOR, RANDY ROBERTSON AT (806) 716-2342, ACADEMY COORDINATOR, JOE WISE AT (806) 716-2356, OR DEPARTMENT SECRETARY, DEBBIE HALE AT (806) 716-2291. YOU MAY ALSO REVIEW ADMISSION REQUIREMENTS AT: WWW.SOUTHPLAINSCOLLEGE.EDU/LAW OR CALL FOR ADDITIONAL INFORMATION.

AN EVENING POICE ADACEMY WILL BEGIN IN THE FALL 2012 SEMESTER. PLEASE CHECK THE SPC 2012 FALL BULLETIN FOR MORE INFORMATION.

INTERNET AND HYBRID COURSES

INTERNET AND HYBRID COURSE REQUIREMENTS AND INSTRUCTIONS

An Internet course is delivered via the Internet utilizing Blackboard and/or course web pages for delivery of 100% of course instruction. Instructors may require a student to attend meetings on campus, but this will be noted in the schedule. A “hybrid” course is one that a portion of the course’s learning activity has been moved online, making it possible to reduce the amount of time spent in the classroom. Traditional face-to-face instruction is reduced but not eliminated. Students will have a required on-campus meeting each week during the semester. The days and times listed in the course schedule are required on-campus meetings. The Blackboard system is accessible at <http://southplainscollege.blackboard.com>.

Internet access and email are required for all online and hybrid courses. South Plains College furnishes each student an email account and this will be the primary mode of contact with you prior to entering your online course through Blackboard. Depending on the course taken, knowledge of particular computer software packages may be required. You may contact the instructor teaching the course directly for further information.

Online and hybrid courses require students to take a more participative role in fulfilling course requirements. The instructor will still designate the course outline and curriculum, but communication will be through email, discussion forums, chat rooms, links and information posted within Blackboard.

Initial correspondence with the instructor for an online course is the student’s responsibility. This contact should take place by the first week of classes. Information is available at askspc@southplainscollege.edu on how to contact your instructor for the course. Students are encouraged to communicate via email. First correspondence with the instructor should include the following information:

1. Complete name (name registered under), mailing address, and phone numbers (home and/or employment).
2. Course number registered for. Make sure to include the course number in the subject line of your email.
3. Email address. It is important that each student utilize his or her SPC email address and monitor this email account on a regular basis.

Once contact has been made with the instructor, the student will receive information via their email account concerning course information, how the course is structured, expectations of the instructor, and where to go to obtain further information.

Books and other supplies are available for purchase through the South Plains College bookstores at Levelland and Reese Center. All Internet course textbooks are available at both locations and can be purchased online at www.sp-levbookstore.com or www.sp-reesebookstore.com. Students can call (806) 894-9611, ext. 2399, or email spcbookstore@southplainscollege.edu for further information.

It is the responsibility of the student to make sure that they have the necessary computer resources and skills to take an online and/or hybrid course. A list of required skills is available at askspc@southplainscollege.edu. Students are not required to purchase their own computer, but must have access to one that meets the specifications necessary to fully participate in their course. Many instructors utilize technologies such as Podcasting and streaming multimedia which requires broadband connectivity. There are computer labs available for student use at the following SPC locations:

- Levelland Campus, Technology Center
- Reese Center - Building 8, Room 827
- Byron Martin Advanced Technology Center
- Plainview Extension Center
- Denver City Extension Center
- Muleshoe Extension Center

WHICH COURSES ARE RESTRICTED?

Students who have taken a placement test and fail a portion may still take college-level classes that are not restricted to the failed area of the placement test; however, students must also remediate in the area failed.

Restricted courses if you have failed the reading portion of an approved placement test are:

- All College Level Biology, EMSP, and English courses, GOVT 2301, GOVT 2302, HIST 1301, HIST 1302, HIST 2301, MUSC 1427 and PSYC 2301. **All internet sections of the following courses: ANTH 2346, ANTH 2351, BCIS 1405, PSYC 2306, PSYC 2314, SOCI 1301, SOCI 1306, SOCI 2301 and SOCI 2306.**
- All College Level Math courses and MUSC 1325 are restricted if you have failed the Math portion of the placement test.
- All College Level English courses and all Internet sections of GOVT and HIST courses are restricted if you have failed the Writing and/or Reading portion of the placement test.

HEALTH, SAFETY AND SECURITY FOR SOUTH PLAINS COLLEGE STUDENTS

ALCOHOL AND DRUG POLICY SOUTH PLAINS COLLEGE SANCTIONS

All students and employees are expected and required to obey the law, to comply with South Plains College rules and with directives issued by an administrative official in the course of his or her authorized duties. Students and employees are expected to observe standards of conduct appropriate for an academic institution.

When the standards of conduct regarding alcohol and drugs are violated, South Plains College will impose at a minimum, the following disciplinary action: (a) admonition and warning, (b) formal written warning, (c) loss of privileges, (d) formal disciplinary probation, (e) suspension, (f) dismissal. Specific information regarding more stringent sanctions is available in the South Plains College Policies and Procedures Manual, South Plains College Student Handbook and Faculty Handbook.

College-imposed sanctions are additional to any legal actions taken by local, state or federal authorities.

TEXAS LEGAL SANCTIONS

Students and employees found in violation of any local, state or federal law regarding the use, possession or distribution of alcohol or other drugs (as defined by the Texas Health and Safety Code, Subtitle C. Substance Abuse Regulations and Crimes) will receive the full legal penalty in addition to any appropriate College disciplinary action. The most common legal violations and their consequences are as follows:

ALCOHOL – Minors convicted for possession or consumption of alcoholic beverages may be subject to fines ranging from \$300 to \$552 depending on the number of previous convictions.

Convictions for selling to minors and DUI may subject individuals to fines up to \$1,000 and a maximum of one year in jail.

Convictions for Driving While Intoxicated may subject individuals to fines up to \$4,000 and to a jail term ranging from three days to one year. Fines and jail terms escalate with subsequent offenses.

CONTROLLED SUBSTANCES (DRUGS) – Sanctions upon conviction for possession, distribution, or manufacture of controlled substances range from fines to probation to imprisonment. Amounts of fines, terms of probation or years of imprisonment are generally contingent upon the circumstances and amounts of drugs in possession, sale, distribution or manufacture. Penalties for drug possession are governed by the Texas Health and Safety Code, Subtitle C.

SERVICES AVAILABLE TO THE CAMPUS COMMUNITY

South Plains College will strive:

1. To provide students and College employees with a confidential source of help when dealing with drug or alcohol abuse or addiction problems. Information is available in the Health Services Office, the Student Services Office and the Counseling Center on the Levelland Campus. At the Plainview Center, please contact the Main Office. At the Reese Center, you may contact the Student Services Office or the Counseling Center.
2. To promote activities and programs with student support to focus campus attention on the problem of drug and alcohol abuse.

CAMPUS AWARENESS

There are many programs and projects coordinated through student organizations, Guidance and Counseling, the Learning Center and the Coordinator of Student Health that focus attention on the dangers of drug and alcohol abuse and with the problems of dependency. Examples include Orientation, Alcohol Awareness Week, College Success Seminars and Wellness Office-sponsored lectures and programs on misuse of alcohol and drugs.

Additional information both on the effects of specific drugs and alcohol and drug counseling resources in the Levelland and Lubbock area and surrounding areas is available in the Health/Wellness Office, the Student Services Office, or the Counseling Center on the Levelland Campus. At the Plainview Center please contact the Main Office. At the Reese Center, you may contact the Counseling Center or the Student Services Office.

A biennial review of this program will be conducted by South Plains College to determine its effectiveness, to implement changes to the program if they are needed and to ensure that its disciplinary sanctions are consistently enforced.

EARLY WARNING SIGNS

You may have a problem with alcohol consumption if:

- You are difficult to get along with when drinking.
- You drink because you're depressed.
- You drink until "dead drunk" at times.
- You don't recall some drinking episodes.
- You hide liquor.
- You lie about drinking.
- You neglect to eat when drinking.
- You want a drink "the morning after."

AIDS AND OTHER COMMUNICABLE DISEASES

South Plains College recognizes that students or employees with communicable diseases, including AIDS, may wish to engage in as many of their normal pursuits as their condition and ability to perform their duties allows, including attending classes or work. As long as these students or employees are able to meet acceptable performance standards, and medical evidence indicates that their conditions are not a threat to themselves or others, the Administration of the College will be sensitive to their condition and ensure that these individuals are treated consistently and equally with other students and employees.

Every precaution will be taken to ensure that a student's or employee's condition does not present a health and/or safety threat to others. The fact that a student or employee has a communicable disease does not relieve that individual of the requirement to comply with performance standards as long as he or she is enrolled in classes or remains employed with the College. All efforts will be made to protect the student's or employee's right to confidentiality.

IMPORTANT INFORMATION ABOUT BACTERIAL MENINGITIS

This information is being provided to all new college students in the state of Texas. Bacterial Meningitis is a serious, potentially deadly disease that can progress extremely fast – so take utmost caution. It is an inflammation of the membranes that surround the brain and spinal cord. The bacteria that causes meningitis can also infect the blood. This disease strikes about 3,000 Americans each year, including 100-125 on college campuses, leading to 5-15 deaths among college students every year. There is a treatment, but those who survive may develop severe health problems or disabilities.

WHAT ARE THE SYMPTOMS?

- High fever
- Severe headache
- Rash or purple patches on skin
- Vomiting
- Light sensitivity
- Stiff neck
- Confusion and sleepiness
- Nausea
- Lethargy
- Seizures

There may be a rash of tiny, red-purple spots caused by bleeding under the skin. These can occur anywhere on the body.

The more symptoms, the higher the risk, so when these symptoms appear seek immediate medical attention.

HOW IS BACTERIAL MENINGITIS DIAGNOSED?

- Diagnosis is made by a medical provider and is usually based on a combination of clinical symptoms and laboratory results from spinal fluid and blood tests.
- **Early diagnosis and treatment can greatly improve the likelihood of recovery.**

SUBSTANCE ABUSE ASSISTANCE

If substance abuse is a concern for you or for someone you care about, the Counseling Center will assist you in seeking assistance. One or more of these resources may provide the help you need:

Lubbock Council on Alcohol & Drug Abuse.....	763-8763
Alcoholics Anonymous.....	894-3767
Lubbock Regional-MHMR.....	766-0310
Counseling Center, Levelland Campus.....	894-9611, ext. 2366, 2368
Counselor, Plainview Center.....	296-9611, ext. 4330, 4301, 4302
Counseling Center, Reese Center.....	885-3048, ext. 4606
Central Plains Center (Plainview Hotline).....	1-800-687-1300
Student Health/Wellness Clinic.....	894-9611, ext. 2376
Family Services Association.....	747-3488
Family Therapy Clinic.....	742-3074
South Plains Group AA.....	894-8818

HOW IS THE DISEASE TRANSMITTED?

The disease is transmitted when people exchange saliva (such as by kissing, or by sharing drinking containers, utensils, cigarettes, toothbrushes, etc.) or come in contact with respiratory or throat secretions.

HOW DO YOU INCREASE YOUR RISK OF GETTING BACTERIAL MENINGITIS?

- Exposure to saliva by sharing cigarettes, water bottles, eating utensils, food, kissing, etc.
- Living in close conditions (such as sharing a room/suite in a dorm or group home).

WHAT ARE THE POSSIBLE CONSEQUENCES OF THE DISEASE?

- Death (in 8 to 24 hours from perfectly well to dead)
- Permanent brain damage
- Kidney failure
- Learning disability
- Hearing loss, blindness
- Limb damage (fingers, toes, arms, legs) that requires amputation
- Gangrene
- Coma
- Convulsions

CAN THE DISEASE BE TREATED?

- Antibiotic treatment, if received early, can save lives and chances of recovery are increased. However, permanent disability or death can still occur.
- Vaccinations are available and should be considered for those living in close quarters and for college students 25 years old or younger.
- Vaccinations are effective against 4 of the 5 most common bacterial types that cause 70% of the disease in the U.S. (but does not protect against all types of meningitis).
- Vaccinations take 7-10 days to become effective, with protection lasting 3-5 years.
- The cost of vaccine varies, so check with your health care provider.
- Vaccination is very safe – most common side effects are redness and minor pain at injection site for up to two days.

HOW CAN I FIND OUT MORE INFORMATION?

- Contact your own health care provider.
- Contact your Student Health Clinic on the Levelland Campus at (806) 894-9611, ext. 2376.
- Contact your local or regional Texas Department of Health office at (806) 767-0319.
- Contact web sites: www.cdc.gov/ncidod/dbmd/diseaseinfo or www.acha.org.

CAMPUS SECURITY AND SAFETY

South Plains College strives to provide a safe and secure environment for students, faculty and staff at all campus locations. Students and employees are encouraged to report all crimes and unsafe conditions to the Campus Police or appropriate security personnel at off-campus locations. Campus Police are Texas Certified Peace Officers, and have full authority to enforce the law. The Campus Police Department maintains a close working relationship with local and state law enforcement agencies and often work together in a coordinated effort.

SECURITY AND ACCESS

The SPC campus and facilities are available for use by all students. Nonstudents may also have access to the campus by special arrangement. Local groups and community organizations may utilize the facilities if prior arrangements have been made with the Special Events Coordinator.

Campus resident halls are not open to the general public. They are for the use of residents and their guests. Proper security is utilized to ensure a safe environment for the campus residents. Trained supervisors are in charge of all resident halls to monitor safety and security. Supervisors are required to report all crimes and emergencies to the police or to the Office of Student Services. All students living on campus are given the handbook "Regulations for College Housing," and they are acquainted with safety procedures and college policies.

CRIME PREVENTION

At the beginning of each year, meetings are held with student services personnel and all students living in college housing. At this time, security, safety, and crime reporting are discussed, along with proper procedures to follow when problems occur. Students who do not live in campus housing are familiarized with crime reporting and emergency procedures provided in the Student Handbook during new student orientation. This information is made available to the faculty and staff through new faculty orientation, in-service training sessions, South Plains College Policies and Procedures Manual and the Faculty Handbook.

South Plains College staff are required to inventory and mark college property to assist in theft prevention and the identification of stolen property. Students living in residence halls are also encouraged to inventory and identify personal belongings to discourage theft. The Campus Police provide pamphlets and brochures on crime prevention subjects, including theft prevention, rape, drugs and alcohol. These materials are available free of charge in the Student Center.

Escort services are available for students and staff by request. If a person wishes to be accompanied by a police officer from a campus building to a vehicle on the Levelland Campus, contact the SPC Police Department

at 891-8883 or the Levelland Police Department at (806) 894-6164. On the Reese Center, contact the SPC Police Department at ext. 2923 or 893-5705. At the Plainview Center contact the Main Office at ext. 4302 or 4304 for evening security services. Give your name and location and an officer will provide an escort.

Campus Police maintain constant building security and surveillance while on patrol. These peace officers are highly visible, and pay special attention to areas which have been a source of criminal activity. The Campus Police also report any areas or situations which they believe to be unsafe, such as poor lighting, poor building security and traffic hazards. These reports are used by the college administration to make changes in the facilities to make them more safe and secure.

SEX OFFENSES PREVENTION

South Plains College strives to actively promote the prevention of sex offenses occurring on college property or involving college students. College housing residents are given prevention information at orientation meetings at the beginning of each school year. In addition, information is distributed through published material, information classes, and individual discussion through the Student Services Office, Health/Wellness Office, the Counseling Centers, and Campus Police.

SEX OFFENSE REPORTING

Students are encouraged to report any sex offenses, including stranger rape, acquaintance rape, and other forcible and non-forcible sex offenses to college officials. Students should report possible sex offenses to Campus Police for the investigation and filing of criminal charges. If the student anticipates filing criminal charges, it is important that the offense be reported as soon as possible and that the student take precautions to preserve any physical evidence.

Students wishing to discuss these matters confidentially may contact any Student Services personnel for counseling assistance. In addition to counseling resources, referral may be made to off-campus counseling resources or a mental health professional, if necessary. In addition, a student may request the college to change academic or living situations after an alleged sex offense and the college will make every effort to accommodate the student's requests if reasonably possible.

COLLEGE DISCIPLINARY ACTION

On an allegation of a sex offense against a South Plains college student, the complaint will be forwarded to the office of the Dean of Students on the Levelland Campus or the Associate Dean of Student Services at the Reese Center or the Director of the Plainview Center for an investigation and possible disciplinary action. During this procedure, both the accuser and the accused will have the opportunity to present evidence and witnesses.

Upon the resolution of the disciplinary process, both the accuser and the accused will be informed of the outcome of the disciplinary process.

The college may impose disciplinary punishments up to and including permanent suspension from the college.

Any disciplinary action taken by the college is independent of any police investigation or criminal charges which may occur.

CAMPUS CRIME REPORTING AND STATISTICS

SPC participates in uniform crime reporting which is utilized by law enforcement agencies in the state of Texas. Campus Police are required to make official reports for all crimes or emergencies that are reported on campus. This information is also available upon request during normal business hours at the Campus Police Office, located in the Student Center on the Levelland Campus.

In compliance with Federal Student Right-to-Know and Campus Security Act of 1990, South Plains College provides information regarding certain violent and non-violent crimes that occur on college property, in campus residence halls, on non-college property that is affiliated with the college and on public property adjacent to college property for the current year as well as the preceding two years. This report is designed to inform students and employees about campus security resources, policies and crime statistics. Campus crime reports for South Plains College are available on the U.S. Department of Education's website at <http://ope.ed.gov/Security/instDetail.asp?UNITID=228158>.

The most current Campus Crime Report can be found on the following page. For further information regarding this report, please contact Campus Police at (806) 894-9611, ext. 2396 or the Dean of Students Office at (806) 894-9611, ext. 2379, 2380.

SOUTH PLAINS COLLEGE

STUDENT RESIDENCY REQUIREMENTS

It is the responsibility of each student attending South Plains College to register under the proper legal residence classification and pay the correct tuition and fees. The Texas Higher Education Coordinating Board, rule 21.38, requires that students sign an Oath of Residency at the time of application.

The South Plains College Board recognizes the authority of the Coordinating Board to set residency policy as authorized by the Texas Legislature and South Plains College will follow the guidelines as set forth by the Coordinating Board.

RESIDENCE CLASSIFICATIONS

TEXAS RESIDENT – An adult Texas resident (18 years of age and older) is defined as one who has resided continuously within the State of Texas for 12 months immediately prior to his/her original registration for purposes other than educational. The number of years in college cannot be used towards eligibility for establishing residency. A minor Texas resident is defined as one whose parent(s) or legal guardian has claimed the dependent for federal income tax purposes both at the time of enrollment and for the tax year preceding enrollment. This classification is defined by the State Auditor's Office and must be adhered to by the institution.

NON-RESIDENT – A non-resident student is defined as one who does not qualify as a Texas resident (out-of-state, international, etc.). A non-resident classification is presumed to be correct so long as the student is in the state primarily for the purpose of attending school. To be reclassified as a resident, after one or more years of residency, the student must show proof of intent to establish Texas as his/her own residency. A student who owns property in the South Plains College District (Hockley County/Whiteface Independent School District) may be eligible for a waiver of out-of-state tuition. Students who believe they are eligible for such waiver must contact the Dean of Admissions and Records.

IN-DISTRICT – A Texas resident who physically resides within the geographic boundaries of the South Plains College District (Hockley County or Whiteface ISD), excluding student housing or residence halls. To qualify for In-District tuition, a student must be (1) 18 years of age; (2) have been classified as a Texas resident, and have been a resident of the South Plains College District for a period of six months, excluding enrollment period, before first enrollment. A student may reclassify from Out-of-District to In-District status, if eligibility requirements are met and appropriate documentation is provided, after physically residing in Hockley County or Whiteface ISD for six consecutive months, excluding enrollment period, with the intent to make South Plains College District one's permanent home and for purposes other than educational.

OUT-OF-DISTRICT – A Texas resident who does not physically reside within the geographic boundaries of

the South Plains College District (Hockley County or Whiteface ISD).

Aliens living in the United States under a Visa permitting residence must meet the same requirements for qualifying for resident status for tuition purposes, as do U.S. citizens. A permanent resident must meet the same length of residency requirements as a citizen.

WRITTEN DOCUMENTATION

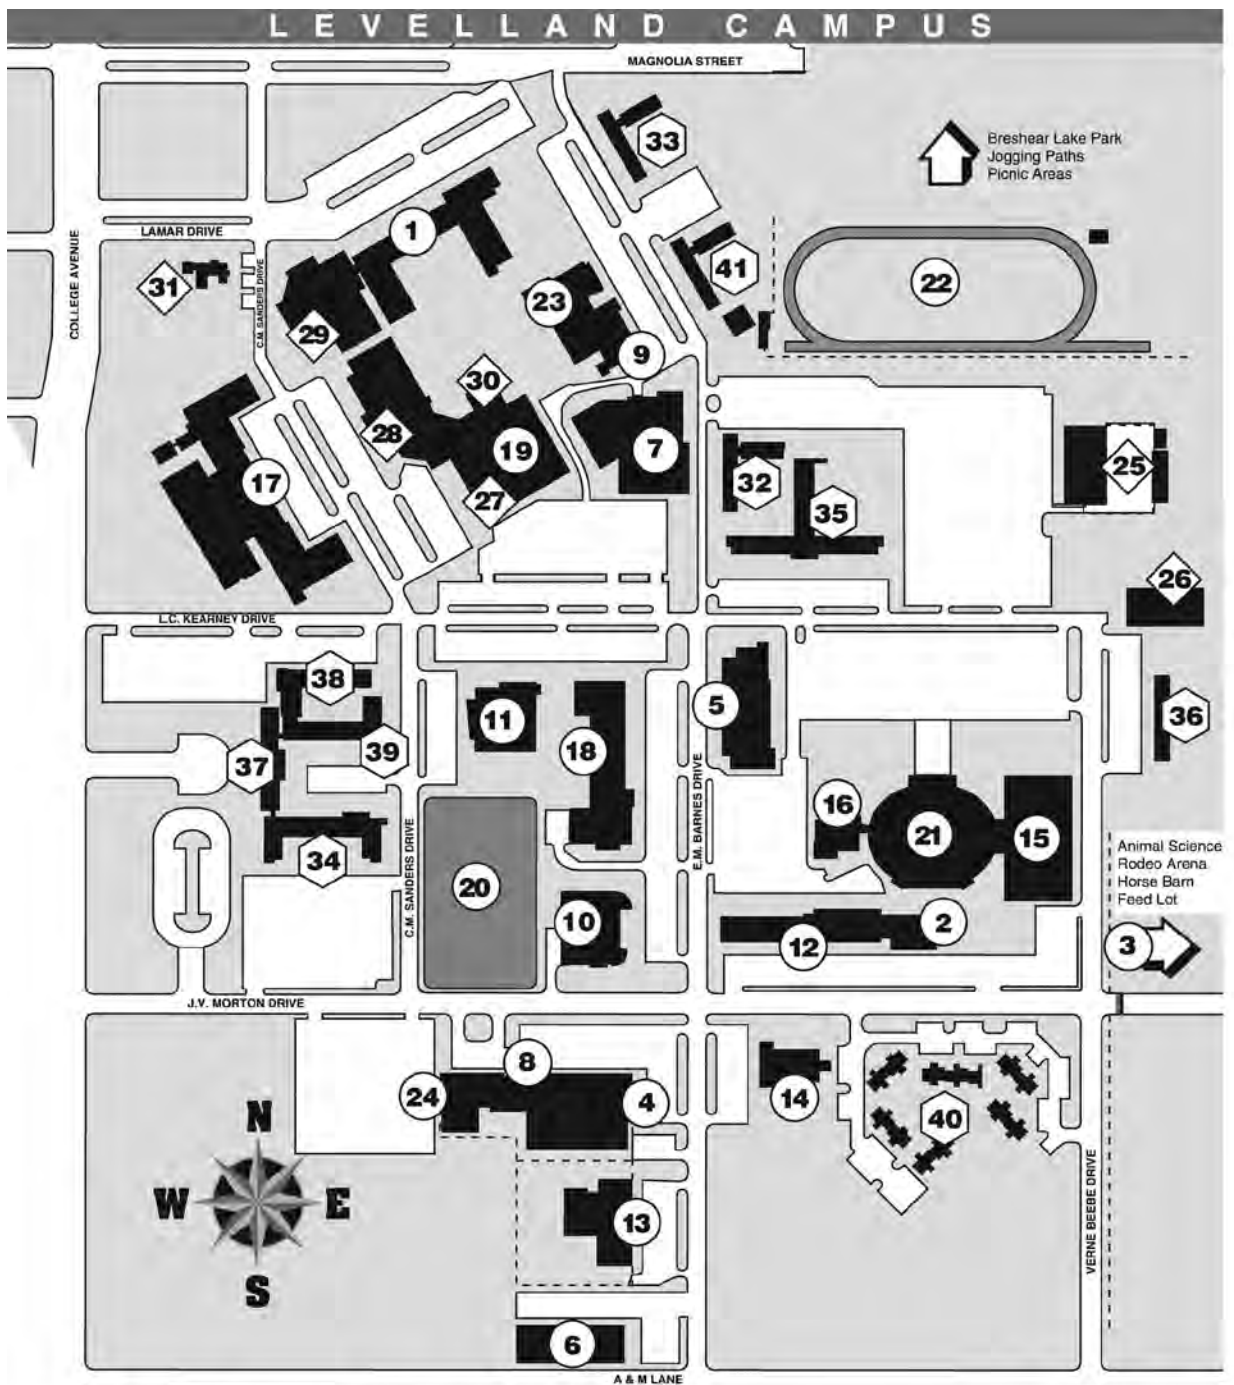

At minimum, South Plains College must have on file **prior** to registration a copy of two or more of the appropriately dated documents which certify that the student classified as a resident has the legal right to the correct classification as of the official census date of the semester or term for which he/she is enrolling. Documents that may be accepted for this purpose include:

- a. **Property tax payments for the year preceding enrollment;**
- b. **Employer statement of date of employment;**
- c. **Permanent Texas drivers' license (at least one year old). The license expiration date minus date of enrollment should not exceed three years;**
- d. **Income tax form or, if current year federal tax form has not been filed, a signed, notarized statement regarding the student's independence or regarding the individual claiming the student as a dependent;**
- e. **Texas high school transcript for the full senior year immediately preceding the full semester enrolled;**
- f. **Texas college or university transcript (in conjunction with other documents from the institution);**
- h. **Texas voter registration;**
- g. **Bank statement for the year preceding enrollment;**
- i. **Utility bills for the year preceding enrollment;**
- j. **Other third-party documentation which confirms residency status for the 12-month period preceding enrollment.**

Documents submitted will be reviewed before a reclassification is made. It is the student's responsibility to request the reclassification **prior** to the following term. The Dean of Admissions and Records will provide a Residency Reclassification form that students will complete when applying for reclassification.

GENERAL INFORMATION

The Texas Higher Education Coordinating Board publishes a Residency Brochure, entitled "Residence Status, Rules and Regulations" pursuant to Title 3 of the Texas Education Code which is distributed to Colleges and Universities in the state of Texas. Copies are also available on the Coordinating Board website: <http://www.thecb.state.tx.us>. This guide is used as a resource by South Plains College to establish a student's correct residency status.
